13 <section>
14 <h2><u>About Us</u></h2>
15 <ul>
16 <p>The Internet is a vast network that connects computers all over
17 the world. Through the Internet, people can share information and communicate from
18 anywhere with an Internet connection</p>
19 </section>
20 <section>
21 <h2><u>How the Internet work</u></h2>
22 <p>Physically, the Internet uses a portion of the total resources
23 of the currently existing public telecommunication networks.</p>
